## Academic Decathalon Contenders

Representing Rio Linda Senior High School in the annual academic competitions held at California State University at Sacramento were the following members of the Class of '84.

L. to R. Coach Jean Clark, Eric Rainey, Harry Stone, Julie Williams, Maria Larado, Teddi Johnson and Coach Bill Forward. In Back: Lisa Miller, Melissa Moulton and Maria Bunch.

Movin' with the music ...

It's tough to see your cue notes in the dark.

Who dat kissin?

Royalty introduced

How much more longer?

Watch Your Hands!

Shake your Bootie.

Take your time, do it right!

This isn't McDonalds.

# Juniors Import Castle For An Enchanted Evening

Queen Lisa checks out the crowd.

"Who let these freshmen in here?"

Sweet dreams are made of this.

"Tony, ask that babe to dance!"

"Who spiked the punch?"

Being royalty is serious stuff!

Music in a romantic setting.

"Gee, don't I look good dancing?"

"What do you want now!"

Everybody smile so Stam will leave.

"Mom said I gotta be home by midnight."

"Teresa, hold me up before I fall over!"

## What is a Teacher?

Being a teacher means:

— being a learner.

— being the only one in the room who can throw wads at the wastebasket, without getting in trouble.

— being a police officer, judge, parent, baby sitter, and sometimes a teacher.

— having all 38 hands raised at once when you are wrong.

April,

You've been a really great friend this year and I'm glad I had you in most of my classes. Sometimes I say mean things to you but I don't mean it. It makes me jealous that you have your license before mine but that's alright because you hardly ever get to drive your car anyway. Maybe next year we can carpool to school. Have fun this summer and don't flirt too much with the guys (ha!)
